1. CORONA - Mr. Bissell noted that [redacted] would travel to the West Coast during the week of 15 September for meetings with RMD on the operational phase of CORONA. He said that the policy phase of these meetings, at Palo Alto, would have a somewhat smaller representation from DPS but that those personnel listed above should be available for consultation on specific items that might arise.

2. GUSTO - Mr. Bissell announced that Mr. C. L. Johnson will be in Headquarters on the 18th and 19th of September for meetings on the GUSTO vehicle and then will probably stay on the East Coast for the Advisory Panel meetings scheduled for September 22 and 23. Mr. Bissell noted that it might be necessary to hold both days of these latter meetings in Cambridge rather than one in Washington and one in Cambridge as formerly contemplated.

3. [redacted] - Mr. Bissell commented that the Navy appeared very much interested in [redacted] feasibility studies but that he wished to hold off any further discussions with the Navy until after the Panel meeting on 22 September.
